ZAIN ALOSOL GENERAL TRADING COMPANY

COMPANY OVERVIEW & REGISTRATION DATA

Zain Alosool General Trading is a premier trading and investment company operating under the umbrella of Dr. Ali Al-Janabi Holding Group — one of the most dynamic and diversified business conglomerates in the Middle East. With a strategic footprint spanning Iraq, Jordan, the Kingdom of Saudi Arabia, and Egypt, Zain Alosool delivers integrated trading, procurement, and specialized services across civilian, military, and security sectors. Our group has been a significant contributor to the regional economy for decades, anchored by four core principles: Integrity, Quality, Equality, and Transparency. We are a U.S. Federal Prime Contractor and General Supplier, serving the Department of Defense, U.S. Military Commands, and International Agencies since 2011. With over 23 years of continuous federal supply operations, we deliver mission-critical materials, equipment, and logistics support worldwide. Our footprint spans 22 specialized supply sectors, from tactical MRO and aviation parts to fuel, IT hardware, and humanitarian aid. We combine rigorous compliance with operational velocity to support sovereign missions across CENTCOM, EUCOM, INDOPACOM, and other combatant commands.

-
- A large outdoor storage area, likely an airfield, is filled with numerous pallets of bottled water. The water bottles are packaged in clear plastic shrink-wrap. In the background, several military aircraft are parked on the tarmac, including a large transport plane on the left and a smaller fighter jet on the right. A person in dark clothing is walking through the water pallets in the middle ground. The scene is set under a clear blue sky.

ZAIN ALOSOL GENERAL TRADING COMPANY

CORE COMPETENCIES

1. Tactical & Industrial MRO

- Heavy machinery, MIL-SPEC PPE, raw materials, tactical gear.
- Replacement parts for ground vehicles and weapon systems.

2. Mission-Critical IT & Cyber Hardware

- TAA-compliant networking infrastructure (routers, switches, servers).
- Section 889-verified telecommunications equipment.
- Tactical communications and electronics.

3. Base Subsistence & Multi-Commodity

- High-velocity supply lines for troop support and defense CLINs.
- Food, water, and consumables at theater scale.

4. Aviation Readiness & Aerospace Parts

- Aircraft components, avionics, and airframe support.
- Rotorcraft and fixed-wing spares.

5. Combat Vehicle Fleet & Armored Equipment

- Support for HMMWVs, MRAPs, and armored vehicle systems.
- Drivetrain, suspension, and armor components.

6. Emergency & Humanitarian Aid

- Rapid-deployment supply chains for UN agencies and disaster response.
- Medical kits, shelter, and water purification systems.

7. Petroleum, Oils & Lubricants (POL)

- Bulk fuel (JP-8, diesel, gasoline) and specialized lubricants.
- POL logistics and Underway Replenishment for surface combatants and expeditionary forces.
